

# South of the Border

Ed Sheeran

She got the mmm, brown eyes, caramel thighs  
Long hair, no wedding ring, hey  
I saw you lookin' from across the way  
And now I really wanna know your name

She got the mmm, white dress, but when she's wearin' less  
Man, you know that she drives me crazy  
The mmm, brown eyes, beautiful smile  
You know I love watching you do your thing

I love her hips, curves, lips say the words  
"Te amo, mami, ah, te amo, mami"  
I kiss her, this love is like a dream

So join me in this bed that I'm in  
Push up on me and sweat, darling  
So I'm gonna put my time in  
I won't stop until the angels sing

Jump in that water, be free  
Come south of the border with me  
Jump in that water, be free  
Come south of the border with me

He got that mmm, green eyes, givin' me signs  
That he really wants to know my name, hey  
I saw you lookin' from across the way  
And suddenly, I'm glad I came, ay!

Ven para acá, quiero bailar, toma mi mano  
Quiero sentir tu cuerpo en mi, estás temblando  
Mmm, green eyes, takin' your time  
And now we know we'll never be the same

I love his lips 'cause he says the words  
"Te amo, mami, ah, te amo, mami"  
Don't wake up, this love is like a dream

So join me in this bed that I'm in  
Push up on me and sweat, darling  
So I'm gonna put my time in (Time in)  
I won't stop until the angels sing

Jump in that water, be free  
Come south of the border with me  
Jump in that water, be free  
Come south of the border with me (Rrrat)

Flawless diamonds  
In a green field near Buenos Aires  
Until the sun's rising  
We won't stop until the angels sing

Jump in that water, be free  
Come south of the border with me  
Jump in that water, be free  
Come south of the border with me

Bardi, uh  
You never live 'til you risk your life (Life)

Bust it up, a rain forest, it be pourin', yeah

Kiss me like you need me, rub me like a genie  
Pull up to my spot in Lamborghini  
'Cause you gotta see me, never leave me (Never leave me)

Drop an album, drop a baby, but I never drop the ball, uh

So join me in this bed (This bed)  
That I'm in (That I'm in)  
Push up on me and sweat, darling (Oh na, na, na)
