

# You Need Me, I Don't Need You

Ed Sheeran

I don't want to bruise your ears  
Or hurt you again  
But I got back-stabbed by a black cab  
When I needed a friend

But now I'm in town, break it down, thinking of making a new sound  
Playing a different show every night in front of a new crowd  
That's you now, hello, ciao, seems that life is great now  
See me lose focus, as I sing to you loud  
And I can't, no, I won't hush  
I'll say the words that make you blush  
I'm gonna sing this now

See, I'm true, my songs are where my heart is  
I'm like glue, I stick to other artists  
I'm not you, now that would be disastrous  
Let me sing and do my thing and move to greener pastures  
See, I'm real, I do it all, it's all me  
I'm not fake, don't ever call me lazy  
I won't stay put, give me the chance to be free  
Suffolk sadly seems to sort of suffocate me

'Cause you need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you at all  
You need me

Does he write his own tunes? Does he write his own verse?  
Hell, don't need another word-smith to make my tune sell.  
Call yourself a singer-writer. You're just bluffing  
Name's on the credits and you didn't write nothing  
I sing fast, I know that all my shit's cool  
I will blast and I didn't go to Brit School  
I came fast with the way I act, right  
I can't last if I'm smoking on a crack pipe

And I won't be a product of my genre  
My mind will always be stronger than my songs are  
Never believe the bullshit that fake guys feed to ya  
Always read the stories that you hear on Wikipedia  
And musically I'm demonstrating  
When I perform live, feels like I am meditating  
Times at The Enterprise when some fella filmed me  
'A young singer-writer like Gabriella Cilmi'

'Cause you need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you

You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

'Cause you need me, man,  
You need me, man,  
'Cause you need me, man,  
You need me, man,

'Cause you need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you

You need me, man, I don't need you  
You need me, man, I don't need you  
You need me, man, I don't need you, at all  
You need me, man, I don't need you
