

## Downhearted

Eddie Fisher

Ever since we parted, I've been downhearted  
Whoever thought that I would miss you so  
Oh please come back I beg, please baby please  
What fools are we who cannot see the forest for the trees  
Now I am the one that I outsmarted and I am downhearted  
I lost the truest love I'll ever know  
Oh how I yearn to hold you in my arms once again  
And I will be downhearted till then.

Oh please come back I beg you, please baby please  
What fools are we who cannot see the forest for the trees  
Now I am the one that I outsmarted and I'm downhearted  
I lost the truest love I'll ever know.  
Oh how I yearn to hold you in my arms once again  
And I will be downhearted till then
