## **Downhearted**

**Eddie Fisher** 

Ever since we parted, I've been downhearted Whoever thought that I would miss you so Oh please come back I beg, please baby please What fools are we who cannot see the forest for the trees Now I am the one that I outsmarted and I am downhearted I lost the truest love I'll ever know Oh how I yearn to hold you in my arms once again And I will be downhearted till then.
