Eddie Floyd

If you need a little loving
Call on me, oh yeah
If you want some kissing
Call on me baby, oh yeah

No more lonely nights, will you be alone
All you got to do is pick up your telephone
And dial now 634-5789, that's my number

If you want just a little loving
Call on me, oh yeah
If you need some kissing
Call on me baby, oh yeah

No more lonely nights, will you be alone
All you got to do is pick up your telephone
And dial now 634-5789, that's my number

Oh, I'll be right there
Just as soon as I can
But if I be a little bit late
I hope that you'll understand, oh yeah

If you want just a little loving
Call on me, oh yeah
If you need some kissing
Call on me baby, oh yeah

No more lonely nights will you be alone
All you got to do is pick up your telephone
And dial now 634-5789, that's my number, yeah, alright

Call me on the telephone
The number is 634-5789
634-5789, that's my number
Yeah, that's my number
The number is 634-5789
