

# I'll Have To Let You Go

Eddie Kendricks

I caught a gentle bird, whose wings were bent and broken  
One rainy day I saw it fall to earth along my way...  
It needed me,  
It hurt so desperately

But I began to know...  
Though I had loved it so...  
I'd have to let it go someday

You came to me like that  
Your heart was disappointed  
Somebody else - had made you hurt you inside I heard you say...

You could not feel,  
You needed time to heal...

But I began to know  
Though have I loved you so,  
I'd have to let you go someday...

And now you don't need me anymore  
You're strong and assured

And I can't help but know  
Though I have loved you so  
I'll have to let you go  
And I can't help but know  
Though I have loved you so

I'll have to you go  
I'll have to let you go, let you go, let you go, let you go
