

Big Brown Eyes

Eddie Rabbitt

I know you love me, baby
I can see it in your eyes
You know I need you, baby
Like the mornin' needs the sunrise
You know I never wonder
If you're doin' me wrong
I love and trust you baby
I know where you're comin' from

All I have to do is, baby, look at you
And there's no doubt in my mind
All I have to do is, baby, look into your
Big brown eyes
Love is all I see, lookin' back at me
In your big brown eyes
Love is all I see, lookin' back at me

I never ever worry
When you go out with friends
I know you love me, baby
That's where my questions end

All I have to do is, baby, look at you
And there's no doubt in my mind
All I have to do is, baby, look into your

Big brown eyes
Love is all I see, lookin' back at me
In your big brown eyes
Love is all I see, lookin' back at me

Don't spend my time checkin' up on you
Don't ask my friends if you're bein' true
You know I love you and I know you love me too
Every day, every way

And all I have to do is, baby, look at you
And there's no doubt in my mind
All I have to do is, baby, look into your
Big brown eyes
Love is all I see, lookin' back at me
In your big brown eyes
Love is all I see, lookin' back at me
In your big brown eyes
Love is all I see, lookin' back at me
I love those big brown eyes
Love is all I see, lookin' back at me
In your big brown eyes
Love is all I see
