

So Fine

Eddie Rabbitt

So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine

I'm looking in your eyes and I can
Feel the fever deep inside you
Coming through
I know just what you're thinking, I can
See it in your eyes, you know I want you too

'Cause you're
So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine

You keep me up so high, you keep me
Going all night, I'm never coming down
I can feel your body movin' to the
Rhythm of the music that we're makin' now
Layin' down

And you're
So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine

You keep me up so high, you keep me
Going all night, I'm never coming down
I can feel your body movin' to the
Rhythm of the music that we're makin' now

And you're
So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine

So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine

So fine when I hold you
So fine, layin' in your love
You're mine, never let you go
So fine
