

Sure Thing

Eddie Rabbitt

It's a sure thing
It's a sure thing
If you wanna gamble a couple of dreams
Then baby, put your lovin' on me
It's a sure thing that I'm gonna treat you right

Don't hang around with them jokers in the back room
'Cause they'll only deal you a losin' hand
If you want somebody to deal you a heart full of aces
Then, baby, stop your lookin'
'Cause I'm your man

It's a sure thing
It's a sure thing
If you wanna gamble a couple of dreams
Then baby, put your lovin' on me
It's a sure thing that I'm gonna treat you right

Lookin' at you, I can see that you've been lonely
I've been lonely too, on a losin' streak
If we put our hearts together, I bet we can make it
Becoming a winner, you and me

It's a sure thing
It's a sure thing
If you wanna gamble a couple of dreams
Then baby, put your lovin' on me
It's a sure thing that I'm gonna treat you right

It's a sure thing that I'm gonna love you right
It's a sure thing that I'm gonna treat you right
It's a sure thing that I'm gonna love you right
It's a sure thing, I'm gonna love you right
It's a sure thing, it's all right, it's all right
It's a sure thing, I'm gonna love you right
It's a sure thing, I'm gonna love you right
It's a sure thing, I'm gonna love you right
It's a sure thing, I'm gonna love you right
It's a sure thing
It's a sure thing
