

Baby

Eddie Stoilow

I'm the one, that you want to see
Try to get down from my childhood tree
Waitin' all day in the rain and wet
I will be happy with the cigarette
I will be waitin', waitin' for you
I will be waitin', waitin' for you
Wo-ho-ho-o-o wait
Wo-ho-ho-o-o wait

You gotta be strong, if I'm wrong
Just to be patient, when I play this song
I will be there if you get the meaning
Everybody needs the feeding

Baby, baby try to get a little bit more
Get a little bit of control
I'm flyin'
Baby, baby try to get a little bit more
Get a little bit of control
I'm lyin'

I'm the one, that you want to see
Try to get down from my childhood tree
Waitin' all day in the rain and wet
I will be waiting with the cigarette
I will be waitin', waitin' for you
I will be waitin', waitin' for you

Baby, baby try to get a little bit more
Get a little bit of control
I'm flyin'
Baby, baby try to get a little bit more
Get a little bit of control
I'm lyin'

I'll be around to pick you up a date
After the years, I'm still not late
Still holding hands to see the downtown square,
We don't give chances to the guys come share

I'll be around to pick you up a date
After the years, I'm still not late
I will be around, that is the answer

Baby, baby try to get a little bit more
Get a little bit of control
I'm flyin'
Baby, baby try to get a little bit more
Get a little bit of control
I'm lyin'

Baby, baby try to get a little bit more
Get a little bit of control
I'm flyin'
Baby, baby try to get a little bit more
Get a little bit of control
I'm lyin'
