

Goodbye

Eddie Stoilow

I've been learning, learning theese days
I've been changing, to see you in my head...
to see you in my room again
I'll hope you'll understand again

I've been learning learning theese days
I've been changing to see you in my arms
to see you in my home again
I'll hope you'll understand again

Come on....

I've been learning learning theese days
I've been changing to see you in my head
to see you in my home again
walk you under part again
I've been learing...

I've been learning learning theese days
I've been changing to see you in my home
to see you in my room again

I've let the rainbows away come on
they're close to me

I'm changing, changing these days
I've been learning to swing you in my arms again tell me sweet little lies a
gain
What you'll understand?

Come on..

Walk on to me
I'm changing changing theese days
I've been learning you in my arms like before
to see you in room again
I'll hope you'll understand
Goodbye Goodbye Goodbye Goodbye Goodbye
Goodbye Goodbye Goodbye Goodbye Goodbye
Goodbye Goodbye Goodbye Goodbye Goodbye
Goodbye Goodbye Goodbye Goodbye Bye...

I've been learning learning theese days
I've been changing to swing you in my arms again to see you in my live again
I'll hope you understand
Come on ..

Please walk to me - I've been changing
I've been learning
to hold you tousand times in my arms
to see you in my house again
I'll hope you'll understand
I've been learning learning theese days
I've been changing to see you in my head
to see you in my room again
I'll hope you understand again...
