

Dear Heart

Eddy Arnold

Dear heart, I wish you were here
To warm this night
And dear heart, it seems like a year
Since you've been out of my sight.

A single room, a table for one
It's a lonesome town alright
But soon I'll kiss you hello
At our front door.

And dear heart I want you to know
I'll leave your arms never more
A single room, a table for one
It's a lonesome town alright
But soon I'll kiss you hello
At our front door...
