## Do You Miss Me

## **Eddy Arnold**

When the evening shadows fall do you miss me At the time I used to call do you miss me And at night when you're alone do you miss the love we've known Do you find your heart like mine is aching breaking

And when mem'ries make you blue do you miss me And if I were there with you would you kiss me Though we parted long ago back to your arms I'd go If I could only know you miss me [ piano - guitar ] And when mem'ries make you blue...
