Don't Forget I Still Love You

Eddy Arnold

Don't forget I still love you every day we're apart Someone else will be kissing you but you'll still be in my hea rt

Don't forget I still love you when his arms hold you tight Just remember that I still care though I'm losing you tonight

When I told you I love you and promised I'd be true And I'll keep that promise my whole life through

I could never forget you and how our love used to be Goodbye my darling and don't forget you can always come back t o me

Goodbye my darling and don't forget you can always come back t o me
