

# I'm Yours

Eddy Arnold

Ask the sky above and ask the earth below  
Why I'm so in love and why I love you so  
Couldn't tell you though I tried dear just why did I'm yours  
When you went away you left a glowing spark  
Trying to be gay as whistling in the dark  
I am only what you make me come take me I'm yours

How happy I would be to beg and borrow a sorrow with you  
Even though I knew tomorrow you'd say we were through  
If we'd drift apart then I'll be lost alone  
Though you use my heart just for a stepping stone  
How can I help dreaming of you I love you I'm yours  
[ sax ]  
If we'd drift apart...  
Hmm I'm yours
