(Written by Fred Rose) I talk to myself about you, dear I can't realize that we're through I know in my heart that I'm wastin' my time When I talk to myself about you. I talk to my heart about you, dear I tell it I'll find someone new But somehow I know I'm just foolin' my heart When I talk to my heart about you. I'm trying my best to forget you But Darlin' it's so hard to do I can't help but feel that the words are in vain When I talk to myself about you. I tell all my friends that it's over I say I don't care what you do But they seem to know when the tears fill my eye That I talk to myself about you. I talk to myself about you, dear I can't realize that we're through I know in my heart that I'm wastin' my time When I talk to myself about you...
