

Just a Little Lovin' (Will Go a Long Way)

Eddy Arnold

Just a little lovin' will go a long way
And you'll make me happy the rest of my days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way

Ever since the time began love has ruled the world
Eve and Adam set the pace and started at a whirl
I met you and now I know that you're the one for me
Come on back and you will plainly see

That just a little lovin' will go a long way
And you'll make me happy the rest of my days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way

I don't believe you really know how much that I love you
If you did you'd come on back and make my dreams come true
Your eyes, your lips, your loving kisses seem to linger yet
I'll forgive but please don't you forget

That just a little lovin' will go a long way
And you'll make me happy the rest of my days
Put your arms around me then I'll be your slave
'Cause just a little lovin' will go a long way
