

## Love Me

**Eddy Arnold**

Treat me like a fool treat me mean and cruel but love me  
Bring my faithful heart tear it all apart but love me  
If you'll ever go darling I'll be oh so lonely  
I'll be sad and blue crying over you dear only  
I would beg and steal just to feel  
Your heart beating close to mine  
Every night I pray to the stars that shine above me  
Beggin' on my knees all I ask is please, please love me
