

Pardon Me

Eddy Arnold

Pardon me if I'm staring at you
I know it's not the thing to do
But my eyes just look your way without my knowing
Pardon me if my love is showing.

Pardon me if my lips speak your name
I try to stop them but in vain
'Cause my my lips just speak your name without my knowing
Pardon me if my love is showing.

My eyes, my lips don't know we've parted
They think our love will never change
Someday they'll learn I'm broken hearted
But till they do I may act strange.

Pardon me if my arms reach out for you
It may sound funny but it's true
But my arms reach out for you without my knowing
Pardon me if my love is showing.

Pardon me for loving you...
