

Take Me In Your Arms And Hold Me

Eddy Arnold

Take me in your arms and hold me
Like I've been holding you in my heart
Take me in your arms and tell me
That you've missed me since we've been apart
You just don't know how heartsick
And lonesome I've been
Or how much I've prayed
That you'll come back again
And take me in your arms and hold me
Like I've been holding you in my heart
You just don't know how heartsick
And lonesome I've been
Or how much I've prayed
That you'll come back again
And take me in your arms and hold me
Like I've been holding you in my heart
