

Too Many Rivers

Eddy Arnold

I wish I could come back to you dear
I know that you want me to
But too much waters run under that old bridge
There's too many rivers between me and you

There's just too many rivers to cross babe
Too many dreams have been lost
And there's too many long nights I've turned and tossed
There's too many rivers to cross

Now don't think for a moment I blame only you
We both killed the fruit on the vine
And when you try to put love back together
There's always a few little pieces you can't find

Yes there's just too many rivers...
