You're My Everything

Eddy Arnold

You're my everything underneath the sun You're my everything grow up into one You're my only dream, my only real reality You're my idea of a perfect personality

You're my everything, everything I need You're the song I sing and the book I read You're a way beyond unbelieved and just to make it real You're my winter, summer, spring, my everything

You're a way beyond unbelieved and just to make it real You're my winter, summer, spring, my everything
