

# Dancing in Guyana

Eddy Grant

Everybody dancing in Guyana  
Oh, and they all say that's the way  
Everybody dancing in Guyana  
Oh, how I wish that you were here

Everybody dancing in Guyana  
Oh, and they all say that's the way  
Everybody dancing in the streets now  
Oh, how I wish that you were here

I took a trip to Georgetown  
Via Port of Spain  
I went to see my old girl  
Who made my life this way  
You see, I was born in Plaisance  
A little country place  
And there I met a tourist  
Who said she knew my face

Oh, everybody dancing in Guyana  
Oh, and they all say that's the way  
Everybody dancing in Guyana  
Oh, how I wish that you were here, whoo!

Everybody dancing in Guyana  
Oh, and they all say that's the way  
Everybody dancing in the streets now  
Oh, how I wish that you were here, whoo!

I took a trip to the jungle  
To see a Ju-Ju man  
He said he had his ways and means  
To make a man a man  
I took along my tourist friend  
Who ever since that day  
Said she'd rather die for Guyana  
Rather than the USA, whoo!

Everybody dancing in Guyana  
Oh, and they all say that's the way  
Everybody dancing in streets now  
Oh, girl, I wish that you were here

Everybody dancing in Guyana  
Oh, and they all shout that's the way  
Everybody dancing in the streets now  
Oh, girl, I wish that you were here, whoo!

Everybody dancing in Guyana  
Oh, and they all think that's the way  
And everybody dancing in the streets now  
Oh, girl, I wish that you were here...
