

A Letter To You

Eddy Raven

I tore my letter up, I couldn't even start
To tell you what's really in my heart
There's only so much that words can say
So I sent you a piece of this beautiful day.
Oh I want you to know that I took a rainbow
And sent it off in a letter to you
I took some flowers in the spring made a sweet clover ring
And sent it off in a letter to you
I took a song from the lark, the moon from the dark
And a spark with the sparkling dew
With a kiss and a hug and a whole lot of love
I sent 'em off in a letter to you I took the mornin' sun peekin'
through the trees
And the dandelion silk tangled in the breeze
I folded 'em up and I sealed 'em with a kiss
It's the kind of letter that you can't resist. In a day or two,
just you wait and see
You're gonna get a special delivery
You'll know the way I feel, there can't be any doubt
When you open it up and let the love spill out
