

# La Bomba

Eddy Wata

Stay tranquilo,  
Oh noononono.

Booom like a bomba!

Sing ohhhhhuoh, whaahahaa,  
Sing ohhhhhuoh, sing whaaay (4x)

What are you wanna saying about me?  
Come on get and wanna someone dance?  
Give me rhythm again.

Booom like a bomba!

And I wanna make you jam,  
You can jam all night,  
I wrote this song for you,  
Because you've gone alive.

Said, I wanna make you jam,  
You can jam all night,  
I wrote this song for you,  
Because you feel the vibe.

I'm gonna sing a song,  
Come on!  
Sing ohhhhhuoh, whaahahaa,  
Sing ohhhhhuoh, sing whaaay.

Mr. Eddy Wata get the phone,  
I mean, I know though his life,  
Feel all the rhythm come floor,  
Music keep me so high,  
I miss to listen to the vibe,  
I feel that make me find your ways,  
Eddy Wata on the mike,  
I know why kia condemned me.

Sing ohhhhhuoh, whaahahaa,  
Sing ohhhhhuoh, sing whaaay.

If Mr. Wata get the phone,  
I mean, I look of his life,  
I wanted the music flow,  
I think I make me wanna waste,  
Hey Mr. listen to the pot,  
I know cofeta lets you down,  
Eddy Wata on the mike,  
I know why kia condemned me.

Booom like a bomba!
