

Bleed You Dry

Edge of Sanity

I am the one that makes you weak
I am the one that makes you feel like a spineless creep
I am the one without no heart
I am the one that tears your fuckin' life apart

And so you wonder where I came from
Look deep inside
And so you wonder why have I come
There ain't no reason why

A parasite from within
Feeding from your own sins
Draining your sanity, 'til insanity arrives
I came to bleed you dry
I came to see you die
I came to bleed you dry

And you're the one that keeps me strong
And you're the one that keeps me going on and on
Yeah you're the one that feeds me
And when you die, I will still be

No chains or ropes can ever hold me back
I'm breaking you down, crack by crack
Yeah you're the one that feeds me
And when you die, I will still be

I came to bleed you dry
I came to see you die
I came to bleed you dry
I came to see you die
