

# Roses to No One

Edguy

I'm feeling this time  
As bad as never before  
A bleeding way is fading away  
Once you needed me  
For spending delight  
But below the funny mask  
There's a crying face

The way that I smile is the way that I cry  
But you'll never realize  
My reputation is the one of a fool  
Now watch how poet dies  
Hear his cries

And I dedicate my roses to no one  
Cause there is no mind to help me to see  
The reason we need  
A light for the lonesome  
And no none to drink  
The blood that I bleed

The poet inside - wasn't given a chance  
So he had to live apart  
And I realized - my best friend am I  
And not those parasites  
Who try to stare into my heart

The way that I feel is the way that I heal  
My body and soul and my life  
And I know you just think I'm a fool  
Now watch how a poet flies, see me rise

And I dedicate my roses to no one  
Cause there is no mind to help to see  
The reason we need  
A light for the lonesome  
And no one to drink  
The blood that I bleed

And I dedicate my roses to no one  
Cause there's no mind to help me to see  
The reason we need  
A light for the lonesome  
And no one to drink the blood that I bleed

And I dedicate my roses to no one  
Cause there's no mind to help me to see  
The reason we need  
A light for the lonesome  
And no one to drink the blood that I bleed
