

Stay Awhile

Edie Brickell

Stay a while
Stay as long as you can

Alright
I don't mind if I do

Pull up a lawn chair
Take your dreams outside

Alright
I don't mind if I do

Lay low and motor
Motor along

Rest a while
Rest as long
As you need

Alright

Loosen your laces
Let your soles be free

Alright
I don't mind if I do
Oooh
