

Do Your Thing

Edwin McCain

Just do your thing
If it makes you feel better
Go on and sing
If it makes you feel better
Shufflin' feet
Snuck up on me now
This young man's lost his way
He don't believe
All the stuff they told him
He's caught up in the fray
He said I've got this great big
Bag full of dreams
And I don't know what to do
I said a wise man gave me
The key to life
And now I give it to you
And I said
Just do your thing
If it makes you feel better
You're running that race
A little bit faster now
Towards your finish lines
Such a disgrace
You missed all the beautiful
You can't buy back the time
So stop and love
And dance and live
And laugh until you cry
Don't wake up to realize that
Your time has passed you by
Just do your thing
If it makes you feel better
Go on and sing
If it makes you feel better
You can cling to your fears if you want to
To your heart and your soul
You must be true
