

I've Seen A Love

Edwin McCain

I've seen a love that rolls like thunder
I've seen a love that falls like rain
That kind of love it makes me wonder
Why my love causes me so much pain

I see my ring as it spins on the table
A perfect circle on the dusty wood
Tells of a life, the love and the laughter
Cries my tears for the times that were good

I've seen a love that rolls like thunder
I've seen a love that falls like rain
That kind of love it makes me wonder
Why my love causes me so much pain

One gets lost, one gets lonely
In another world love remains
That kind of love takes away all your empty
That kind of love takes away all your shame

I've seen a love that rolls like thunder
I've seen a love that falls like rain
That kind of love it makes me wonder
Why my love causes me so much pain

And our kind of love it burns like summer
Like I'm rolling down some old heartache road
And all my running and my demons
Can't seem to lift it
Can't seem to lift that love

I've seen a love that rolls like thunder
I've seen a love that falls like rain
That kind of love it makes me wonder
Why my love causes me pain
