

# The Night... It Embraces Me

Edyta Bartosiewicz

The night...  
It embraces  
Me,  
So sweet,  
I cry,  
But It`s happi - ness  
I feel,  
Gently  
I`m breathing,  
The air is coming through my skin...

There was the time in my life  
When I was wrong,  
My faith was gone,  
I used to say to myself  
'Your time will come...'  
Now when I`m looking back  
I see I pushed too hard...

The night...  
It hugs me  
To  
Her breast,  
I feel  
No fear,  
No  
Loneliness...  
Now I can finally close my eyes  
And sleep...

There was the time in my life  
When I was wrong,  
My faith was gone,  
I used to say to myself:  
'Your time will come...'  
Now when I`m looking back  
I see I wasn`t smart enough,  
Things never work when you  
Push too hard...  
Push too hard...  
Never push too hard,  
There`s someplace  
You should stop,  
Someplace  
Ypu should stop...
