

You Are the Shining Light

Eels

Come on baby now don't quit the show
I know you love a good fight
In your darkest night of the soul (Guess what?)
You are the shining light (Come on!)

Bounce back, you always do
From some pretty rough nights
In the tunnel you're minin' through
You are the shining light (Let's go)

I'm right here
I'm comin' with you

I can't handle it
You're making me mad
You know it's just not right
You don't know how beautiful you are
And you are the shining light (Hello)

Come on, dummy
Get a clue

Come on baby now don't quit the show
You know you love a good fight
In the darkest night of the soul (Give it up!)
You are the shining light

Take it with you everywhere you go
Turn it on and make it bright
Ain't no reason to quit the show
When you are the shining light!

Yes sir
Now, smile
Feels good, right?
That's more like it
