

Wring Out The Ground (Loosely Now)

Egg

Wring out
Wring it out
Wring, wring it out
Wring it further out
Ground
Wring out the ground loosely now
Wring out
Wring it out
Wring, wring it out
Wring it gently out
Everything I saw was a terrible bore
Because I'd seen it all before
And the one thing it told me was
That what I had to do
Was to fight my way through
And try to think of something new
And I couldn't help feeling it was true
It was true
Wring out
Wring it out
Wring, wring it out
Wring it gently out
Last out
Last it out
Last, last it out
Last one out's a fool
Least, last out the least, listlessly
Last out
Last it out
Last, last it out
Last one out's a shame
