

Don't Ask Me Why

Eleanor McEvoy

Lying here naked with me
Can you see
Tears that I can't hide
If I could tell you about it
I would
But I couldn't if I tried

Don't ask me why
Don't ask me why
Don't ask me why
When I don't know

Lying here naked I try
Not to cry
In your tender loving hands
Sometimes you touch an emotion
In me
That I just don't understand

Don't ask me why
Don't ask me why
Don't ask me why
When I don't know

Don't ask me why
These tears of mine will flow
Don't ask me why
Truth is, i don't know

Don't ask me why
Don't ask me why
Don't ask me why
When I don't know
