

# For You

Eleanor McEvoy

For you, for you  
The moments I steal  
You know they don't heal  
The way I feel for you

For you, for you  
The things that I say  
They give it away  
The way I feel for you

You know I need your precious time  
To keep me going  
To keep me going and to stop it from showing  
And you know I need you by my side  
To keep me hoping and to stop me from knowing

That someday in someday  
I'll make you fall for me  
And sometimes I'll make you mine  
And make you feel for me  
The way I feel

For you, for you  
The moments I steal  
You know they don't heal  
The way I feel for you

For you, for you  
The things that I say  
They give it away  
The way I feel for you

You know I feel alone these days  
I'm thinking about you  
I'm thinking about you, I'm dying without you  
You know it's more than a passing phase  
Been too long without you  
I've been too long without you, crying about you

But someday in someday  
I'll make you fall for me  
And sometime I'll make you mine  
And make you feel for me  
The way I feel

For you, for you  
The moments I steal  
You know they don't heal  
The way I feel for you

For you, for you  
The things that I say  
They give it away  
The way I feel for you
