Take the bit between your teeth

Electrelane

```
I know you had it hard
I know you had it hard
I know you had it hard and you wanted to tell me

I know you had it hard
I know you had it hard
I know you had it hard and you wanted to tell me
Oh I don't want to hear it

Turn it up yeah yeah…

I know you had it hard
I know you had it hard
I know you had it hard and you wanted to tell me

That you're the man
That you're the man
That you're the man, you've got all of the answers
I don't think you do

Turn it up yeah yeah…
```
