

# Clusterfuck!

Electric Six

In the writings of the Druids,  
Lies a recipe for Druid fluid,  
Sounds like a most refreshing drink to me.  
You seem to be accruin'  
More penalties than a Boston Bruin  
But your card says "Get Out Of Jail for Free".  
You were always such a shoo-in  
But you didn't pay attention to what you were doin'  
And no one here can do it as good as me.

No one here can do it  
No one here can do it  
No one here can do it as good as me.

And you relive my fantasy, singing:  
Yeah!  
It was a clusterfuck.  
Oh, yeah!  
It really fucked us up.  
Oh, yeah!  
It was a clusterfuck.  
Oh, yeah!  
It really fucked us up.

Oh!

Underneath the city  
There's a gnome that lives that's none to pretty  
Sounds like a pretty good starting point to me.  
And even though were getting dizzy  
We work the system down into a tizzy  
Let them hear our screams of victory.  
Cuz no one else will do this  
We won't be living through this  
We've surely made our mark in history.

Cuz, no one here can do it  
No one here can do it  
No one here can do it as good as me.

Singing:  
Yeah!  
It was a clusterfuck.  
Oh, yeah!  
It really fucked us up.  
Oh, yeah!  
It was a clusterfuck.  
Oh, yeah!  
It really fucked us up.  
Really fucked us up.  
Really fucked us up.  
Really fucked us up.  
Really, fucked...really fucked us up.

Singing:  
Yeah!  
It was a clusterfuck.

Oh, yeah!  
It really fucked us up.  
Oh, yeah!  
It was a clusterfuck.  
Oh, yeah!  
It really fucked us up.  
Really fucked us up.  
Really fucked us up.  
Fucked us up.

Oh, why  
Do bitches cry  
When I wave bye bye bye  
It ain't no lie  
That man is too damn, too damn high  
I know this guy  
He got no alibi  
He wonder why  
Everyone here has got to die  
The bitches cry  
When I wave bye bye bye  
It ain't no lie  
That man is too damn, too damn high  
We're moving on  
We're moving on and on  
We're moving on  
We're moving on and on and on
