

## Germans in Mexico

Electric Six

Government man  
Important man  
Walking around at night  
He's got his whiskey  
He's got his briefcase  
He's gonna be all right

Now when you hear those sirens  
Don't you think it's just a drill  
Cause when El Presidente pulls the trigger  
He always SHOOTs TO KILL

There are Germans in Mexico  
Germans in Mexico  
Taking over tonight  
Falling in love with your daughter

There's only so many rabbits  
That you can pull out of your hat  
There's only so much time now  
You know we're running out of that

Ayudame American fighter jets!  
For without you we shall not win  
They come in the night and take our women  
For sale in Berlin

There are Germans in Mexico  
Germans in Mexico  
Taking over tonight  
Falling in love with your daughter

Sing everybody!  
Deutsche! Deutsche!  
Vaya con dios, amigo!
