

## Naked Pictures (Of Your Mother)

Electric Six

Well nobody wants to burn in hell  
But everybody's got a soul to sell  
When I was young my mama gave me some advice  
She said boy don't you know everybody's got a price?

I'll make lots of money, I'll make more money than you  
I'll drive around in my limo that's what I was born to do  
And I might like you better if we fuck together  
If its not to be noted I got somethin' better for ya:

Naked pictures, of your mother  
Naked pictures of your mother  
Naked pictures, of your mother GO!

So low

I dropped the bomb on Japan  
I was a hostage in Iran  
I'm the ugly american  
Now, i'm a government man  
A government man!

And I'll make lots of money, I'll make more money than you  
I'll drive around in my limo that's what I was born to do  
And I might like you better if we fuck together  
If its not to be noted I got somethin' better for ya:
