S.o.s

Elemeno P

Well I got the most incredible One shot, the pain is physical I've got an illness, but I was oblivious to it Blue jeans, sweet dreams and parking lots Missed once, missed twice, gave it all I got We got the illness, we've all got the illness, you know it Somebody got hurt Somebody's waiting My heart is breaking Am I forsaken? Is it too late to send an S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to send a... Little Ruby got a job with a miniskirt Loses sleep, plastic sheets, she keeps it covert She got the illness, we've all got the illness, you know it Go kart, flash cars, your salary Well I've got the plan, but don't follow me I got the illness, we've all got the illness, you know it Somebody got hurt Somebody's waiting My heart is breaking Am I forsaken? Is it too late to send an S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to send a... We will not see you now, no we mean nothing We will not see you now, no someone help us We will not see you now, no we mean nothing We will not see you now S.O.S Oh Is it too late to send an

S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to send an S.O.S Oh Is it too late to
