

There was a time I do recall
When pretty girls hung out in
Shopping malls
The Air Jordan's I wished I could
Afford
Looking back these days were
Magical

Kick like a first time cigarette
I like this girl I know she likes me back
Yeah I know baby it's true we do
Connect
I got the keys love, hee haw and we got it
On and on and on and on and on

Yesterday I felt so vacant
Won't somebody separate us now?

So go, go, go if you wanna
Stay, stay, stay if you're gonna
Go, go, go if you wanna
Stay, stay, stay if you're gonna

Soundtrack to teenage broken
Hearts
Jane's addiction playing in the car
A couple fighting, and crying out
In the yard
Our of beer, we're out of here but
The party goes
On and on and on and on and on

Yesterday I felt so faded
Won't somebody separate us now?

So go, go, go if you wanna
Stay, stay, stay if you're gonna
Go, go, go if you wanna
Stay, stay, stay if you're gonna

(Stay with me I need you, don't
You know that times like these I
Need you)
