

I Like You

Eleni Mandell

I like you, you're sweeter than honey
Richer than money
Yes, I do
I like me when we are together
I'm sharp and I'm clever
Yes, it's true
How am I going to wait?
For the right time to tell you
All of the things that I anticipate
When are faced to face
And the skies are blue

I like you, you're smart and you're funny
And not cloudy but sunny
I like me when we are together
It's beautiful weather
Yes, it's true
How am I going to tell for the right time to tell you
All of the things I anticipate
When we are faced to face
And all is true

I like you, you're better than better
It feels like forever
Yes, it's true
I like you
