

It's Raining

Eleni Mandell

It's raining so hard
Looks like it's going to rain all night
And this is the time
I love to be holding you tight
But I guess I'll have to accept
The fact that you're not here
I wish this night would hurry up
And end, my dear
It's raining so hard
It's really coming down
Sittin' by my window
Watchin' the rain fall to the ground
This is the time
I love to be holding you tight
I guess I'll just go crazy tonight
It's raining so hard, it brings back memories
Of the time when you were here with me
Counting every drop about to blow my top
I wish the rain would hurry up and stop
Well, I got the blues so bad
I can hardly catch my breath
The harder it rains
The worse it gets
This is the time
I love to be holding you tight
I guess I'll just go crazy tonight
