

Miracle Of Five

Eleni Mandell

Fingers on your hand
Hand is holding mine
Dancing in the bar
Miracle of five
Wrapped around my waist
After hours kiss
Kiss me every day
Miracle of six
Seven days and nights
Eight across the room
Divided that by two
Times you called me beautiful

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Oh yeah

Underneath my skin
Fingers clever eyes
Dancing in the bar
Miracle of nine
Ten times again
Ten times for me
Ten times for you
Miracle of two

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
Oh yeah
