

# Bye Bye Babylon

## Elevation Worship

Daughters of Zion weep no more  
Pack your bags we're going home  
Shake off your captivity  
Today is the day we shall be free

Bye bye bye bye  
Bye bye bye bye Babylon

Learn the old forgotten songs  
Sing the ones you know by heart  
Take down your harp from the willow tree  
Reclaim the long lost melody  
And sing

Bye bye bye bye  
Laugh and dance like kings and queens

Bye bye bye bye  
Our children's children shall be free

Bye bye bye bye  
Our children's children shall be free  
Bye bye bye bye Babylon

Abba Abba Abba  
Come and take us home
