

First and Only

Elevation Worship

Draw me again
Into the center of your love
Where I began
I know that you are still enough
Lord you restore
All the desires of my heart
Just like before
When I discovered who you are

I need you more
I need you more than ever
I need you more
Jesus I need you more

I will abide
Be still and know that you are God
For you are mine
And in your presence I'm alive
Here in this place
Within your shadow I am safe
Every mistake
Fading into the light of grace

I need you more
I need you more than ever
I need you more
Jesus I need you more
[x2]

Be my heart's obsession
First and only in my life
In your love alone
My soul is satisfied
[x4]

I need you more
I need you more than ever
I need you more
Jesus I need you more
