

## Hold on to Me

### Elevation Worship

Hold on to me  
I am weak without you  
I can't breathe without you  
But I can make it through  
If you hold on to me

When my life is broken  
Still your arms are open  
Your love can make me new

You are my everything  
I run into your name  
Jesus, Jesus  
I know my world is safe  
Forever in your name  
Jesus, Jesus

My God is stronger  
He won't let go of me  
Christ my savior  
Faithful through eternity
