

## Love Won't Give up

### Elevation Worship

Nothing I want that Your love doesn't offer  
Nothing I've done that Your grace won't cover  
It's not over 'til You say so  
You are faithful, God, You're faithful

The cross is all the confidence I need  
Your love won't give up on me  
You never make a promise You don't keep  
Your love won't give up on me

Calling me back to the place where I started  
Lost my way but I'm not forgotten  
It's not over 'til You say so  
You are faithful, God, You're faithful

The cross is all the confidence I need  
Your love won't give up on me  
You never make a promise You don't keep  
Your love won't give up on me  
Your love won't give up on me  
Oh, Your amazing love for me, yeah

No matter how far I run, I run into Your love  
And when I'm falling apart, You won't let me go  
No matter how far I run, I run into Your love  
And when I'm falling apart, You won't let me go  
No matter how far I run, I run into Your love  
And when I'm falling apart, You won't let me go  
No matter how far I run, I run into Your love  
And when I'm falling apart, You won't let me go

The cross is all the confidence I need, yeah  
Your love won't give up on me, You never will  
You never make a promise You don't keep  
Your love won't give up on me, yeah  
The cross is all the confidence I need  
Your love won't give up on me  
You never make a promise You don't keep  
Your love won't give up on me, You never will  
Your love won't give up on me  
You never will, never will, oh
