

# Might Get Loud

## Elevation Worship

Excuse me for a minute  
But I've got a song to sing  
'Might not be on-key  
But it's from my heart  
No one else can tell it  
What the Lord has done for me  
This might take all-day  
So, I better start right now

And it might get loud  
It might get loud  
'Cause Heaven's coming  
Down, down, down  
And it might get loud  
It might get loud  
Heaven's coming  
Down, down, down  
And it might get loud

I don't have a halo  
No, I'm not a perfect man  
I'm just glad to be a child of God  
'Cause when I think of  
Where I could've been  
Should've been, would've been  
If you hadn't stepped in  
I've got a praise on the Inside  
That can't be denied  
And I gotta get it out right now

And it might get loud  
It might get loud  
Heaven's coming  
Down, down, down  
And it might get loud  
It might get loud  
Heaven's coming  
Down, down, down  
And it might get loud

(When the saints start praising)  
It might get loud  
(When the chains start breaking)  
Heaven's coming  
Down, down, down  
And it might get loud  
(When the saints start praising)  
It might get loud  
(When the chains start breaking)  
Heaven's coming  
Down, down, down  
And it might get loud

Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?

(Heaven's coming down, down, down, down)  
Why can't I praise Him  
As loud as I want?  
(Heaven's coming down, down, down, down)  
Why can't I praise Him  
As loud as I want?  
(Heaven's coming down, down, down, down)

Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?

Oh, It might get loud  
(Excuse me for a minute)  
It might get loud  
(But I've got a song to sing)  
Heaven's coming  
Down, down, down  
And it might get loud  
(No, I don't got a halo)  
It might get loud  
(But I know that I'm a child of God)  
Heaven's coming  
Down, down, down  
And it might get loud  
(When I think about His Goodness)  
It might get loud  
(No, I can keep on praising)  
Heaven's coming  
Down, down, down  
And it might get loud

Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?  
Why can't I praise Him  
As loud as I want?
