

# Never Lost

## Elevation Worship

Miracles when You move  
Such an easy thing for You to do  
Your hand is moving right now  
You are still showing up  
At the tomb of every Lazarus  
Your voice is calling me out

Right now I know You're able  
And my God, come through again

You can do all things  
You can do all things but fail  
Cause You've never lost a battle  
No you've never lost a battle  
And I know, I know  
You never will

Everything's possible  
By the power of the Holy Ghost  
A new wind is blowing right now  
Breaking my heart of stone  
Taking over like it's Jericho  
My walls are all crashing down

But right now, I know You're able  
And my God, come through again

You can do all things  
You can do all things but fail  
Cause You've never lost a battle  
No you've never lost a battle  
And I know, I know  
You never will

You can do all things  
You can do all things but fail  
Cause You've never lost a battle  
No you've never lost a battle  
And I know, I know  
You never will

You've never lost a battle  
You've never lost a battle  
You've never lost a battle  
You never will  
You've never lost a battle  
You've never lost a battle  
You've never lost a battle  
Never, never...

So faithful  
I know, I know, it's who You are...

You can do all things  
You can do all things but fail  
Cause You've never lost a battle  
No you've never lost a battle

And I know, I know  
You never will

You can do all...  
There's nothing impossible for You  
You can do all things but fail  
'Cause You've never lost a battle  
No, You've never lost a battle  
And I know, I know  
You never will  
...
